

Super User Briefing

Thursday April 5th 2018

2pm – 4pm

Lecture Theatre, Post Grad Centre

The new Electronic Patient Record (EPR) goes live on Saturday 14th April

This is the final opportunity before Go Live for SuperUsers to

- Be briefed about the detailed plans for the “Cut over” weekend and Go Live – what to expect
- Understand How, when and which issues to escalate
- Practice using the Welch-Allyn VSM 6000 to send patient observations to EPR
- Review how to Admit, Transfer and Discharge patients on eCARE to ensure that we achieve our real-time system
- Address any final Smart Card queries
- Understand the training and smartcard process for Locums and Bank staff
- Be clear about Training, support and your role beyond Go Live
- Question and Answer session

There is no need to book, please attend if you are a SuperUser or a Floor walker
