

QRG – Requesting a Medication Supply (Pharmacist/MMT/MMA)		
No.	Action	Responsibility
1.	<p>Log in and access the patient record in Powerchart. Click on the “Medication Supply” tab on the left of the screen</p> 	Pharmacist/ MMT/MMA
2.	<p>Select the item that you are requesting a supply for by ticking the box to the left of the order:</p>  Lactulose <p>The most recent endorsement by pharmacy will be shown on the order line after the “pharmacy supply” text:</p> <p>Pharmacy supply:</p> <p>Endorsements will contain information about the supply for the item e.g. whether it is a stock item on the ward, a patients own drug (POD), or previously supplied as a TTO medication.</p> <p>The history and previous responses to requests can be viewed by hovering the mouse pointer over the item or clicking on “view history”</p>  <p>You can also see the response to the last request underneath the order</p> <p>Last request: Accepted - 5 min ago Last request: Declined - 1 min ago</p> <p>If the last request is “pending” then Pharmacy have yet to process it and the item should not be requested again.</p> <p>Use the information on the screen to assess whether it is appropriate to request a further supply or if the item is either on order from Pharmacy or on the ward already. If you decide that the request is not appropriate, the box can be unticked so that the item is not requested again.</p>	Pharmacist/ MMT/MMA
3.	<p>Complete the “reason for request” and the “priority”. This is selected from the drop-down menu by clicking on the arrow</p>  <p>If more than one item is being requested and all the items have the same reason and priority, you can assign this from the box at the top right of the page to save time. Click on “Apply” when finished.</p> 	Pharmacist/ MMT/MMA

4.	<p>A comment can be added for further communication about the request. If the item has been validated, the request will be auto-accepted and the comment box should be used for the supply endorsement (e.g. Dispense 28 tablets) and any other special instructions (e.g. large print labels needed)</p>	Pharmacist/ MMT/MMA
5.	<p>If the item has been validated, select the printer from the drop-down list</p> <div data-bbox="220 421 574 510" style="border: 1px solid #ccc; padding: 5px; margin-bottom: 10px;"> <p>Printer: <Default> Copies: 1</p> </div> <p>Select the booking in printer mkp-0380t2 and the request will print in pharmacy.</p> <p>If the item has not been validated, a printer does not need to be selected as the request needs to be processed separately (see QRG for Processing a Medication Supply below)</p> <p>Click on “Submit”</p> <div data-bbox="220 828 391 884" style="border: 1px solid #ccc; padding: 5px; display: inline-block;"> <p>Submit</p> </div>	Pharmacist/ MMT/MMA
