

LOCATING AND COMPLETING RAPID RESPONSE REFERRAL FORM

1.	<p>Click on the Rapid Response Services tab from your tool bar.</p> 
2.	<p>From the Dashboard, click on 'Worklist'.</p> 
3.	<p>Click on patient tab - 'Actions'.</p> 
4.	<p>Look down the page to assessments - powerform is located here. Click on form 'Rapid Response Form'.</p> 
5.	<p>Click on the radio button for Assessment.</p> 
6.	<p>Complete mandatory fields on form (first page) and Sign using the green tick. Window closes.</p> 
11.	<p>Alternatively - Open patient record in powerchart, click on the adhoc icon, Rapid Response Folder, click on radio button for Rapid Response and click Record.</p>
12.	<p>Complete and Sign as above.</p>
13.	<p>To complete the Discharge form, repeat steps 1-7.</p>
14.	<p>Click on the radio button for Discharge.</p> 
15.	<p>Navigate to the second page.</p> 
16.	<p>Complete mandatory fields on form (second page) and Sign. Window closes.</p>

Form is now viewable in the patient record within Documentation & Form Browser. You are unable to modify the Assessment to complete the discharge, a new form is required. However, if amendments are required you can modify individual forms.
