

ADDING MULTIPLE PREGNANCIES (GUIDE FOR SONOGRAPHERS)

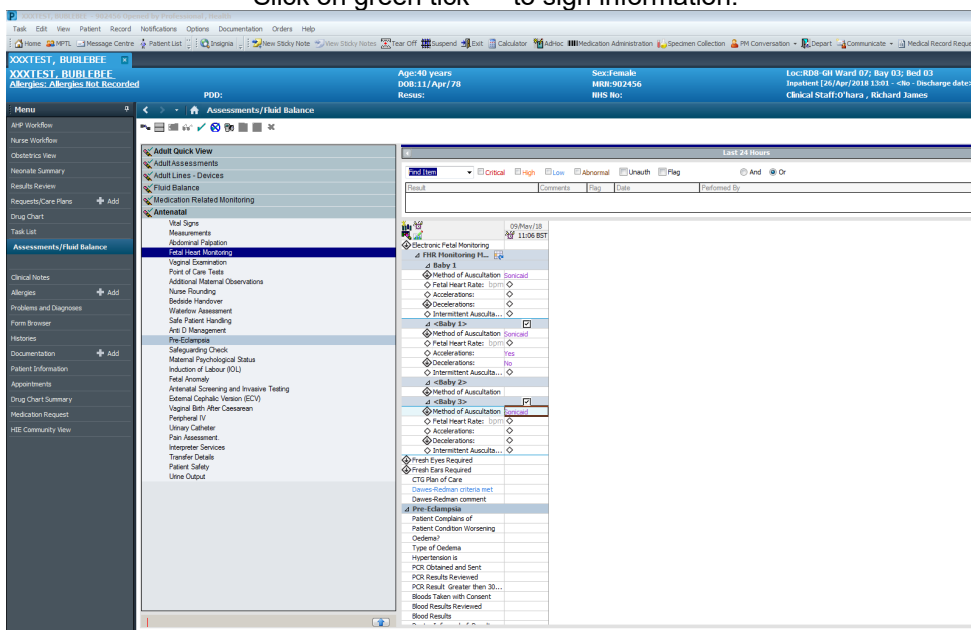

1. Click on Assessments/Fluid Balance.
Click on Antenatal band and from the drop down list that appears underneath, click on Fetal Heart Monitoring.

2. Click on the grid icon to open up the repeatable group screen.

3. Select Baby 2 and click OK (repeat process for number of babies required).

4.

Slick on green tick ✓ to sign information.

5.

This change will now be reflected in the Obstetrics View (once you have Refreshed the screen).
