

## REPRINTING REQUISITION FORMS

- From within the Patient record, click on Requests/Care Plans from the main left hand menu.
- All orders should display from the previous 5 days as a default however, if you want to look at the lab orders, select Laboratory under view on the left hand side.
 
- Identify the correct order for which you need the requisition.
- Right click on this order and select print from the drop down.
